CHINESE HERBAL MEDICINE TEACHING CLINIC OFFER

Do you have patients that you think would benefit from the extra input of Chinese herbal medicine?

Good news – from November 2012 you will be able to refer your patients to our **Chinese Herbal Medicine Teaching Clinic** for herbs. The clinic, which is the teaching facility for our MSc in Chinese Herbal Medicine, will be supervised by Cheng Hao Zhou and Course Director Eileen Gibbon and will run on Mondays and Tuesdays. We would like to offer our service to you and your patients at a reduced cost and with the assurance that **your patients will only get herbal treatment from us and continue to have acupuncture with you in your own clinic.** Our aim is to work with you to provide the best combination of herbs and acupuncture for the benefit of your patients.

This is our offer to you as our NCA graduate: The cost to your patient would be only £20 for an initial consultation and £10 for follow ups- plus the cost of the herbs (average £25 lasting two to three weeks.)

NB: Our normal costs are £25 per consultation and £20 per follow up and is significantly more in private practice. The initial consultation takes two hours and the follow ups take an hour.

If this is of interest to you and your patients here is the procedure to follow:

1. Firstly please call our clinic receptionists Michelle or Adele on **01904 343305** to book your patients initial consultation. Or e-mail your request to **clinic@chinese-medicine.co.uk**
2. Once your patient is booked in we will send you a referral form to complete and return to us before your patients appointment. Or you can download and fill out the referral form on the website.
3. Your patient will come for the initial consultation and at least one follow up (according to their progress) and **they will continue with their acupuncture treatment at your clinic.**
4. After the initial consultation, providing the patient consents, the supervisor will send you feedback about your patient's treatment strategy in the herb clinic.

If you are unsure about herbs for your patients and would like to speak to Cheng or Eileen please call clinic on 01904 343305 or email clinic@chinese-medicine.co.uk

We very much hope that you will support our Chinese Herbal Medicine Teaching clinic.
